We are exclusive distributors of Italian company Romitelli Shoes for Czech Republic, Slovakia and we are excited to offer you leather tall riding boots, minichaps, belts and others, all in top quality.

We offer boots for women, men and children, which differ only in design.

Romitelli Shoes is a family owned company based in Italy, operating under the lead of Enrico Romitelli, which has been focused on production of leather riding boots since 1979, while using only top quality italian calf leather.

Riding boots are very comfortable due to already mentioned top quality italian calf leather, which is solid, resistant, but also easily adaptable.

In this catalogue you will find standard models and the possibility of designing riding you boots up to your imagination.

Enjoy designing your unique leather riding boots!

1. Self-measure your feet (please use the instructing video on our site www.jezdeckeboty.cz) and sent us what you have measured. We will look onto the numbers and pair them with the right shoe size for you. This is followed with picking the leather color and customizing your boots.
2. Paying 50% of the price.
The following process of making the shoes takes approximately 5 weeks.
3. **Handing the boots over and paying the rest of its` price. Possible to send via shipping companies.**
